Dear Nelson:

As discussed, enclosed for your further handling is a file copy of a partially executed Communitization Agreement dated December 1, 2013 for the captioned well and extra signature and acknowledgment pages of same. As referenced in the enclosed copy of our Drilling Opinion dated September 13, 2013, C.E. LaRue and B.N. Muncy, Jr. each own a 1/2 interest in the Record Title Interest in Federal Lease NMLC 058186 covering the E/2NE/4 of the captioned Section 27 and each own a 1/2 interest in the Record Title Interest in the Federal Lease NMNM 28527 covering the NW/4SE/4 of the captioned Section 27.

In reference to the above, please execute the enclosed extra sets of signature pages of the Communitization Agreement and return same to me at your earliest convenience.

For your information, the captioned well was recently completed as a horizontal oil well producing from the Second Bone Spring Sand interval in the Bone Spring formation.

Regarding the above referenced Record Title Interest, perhaps you could get Hannah Palomin to prepare an Assignment of Record Title Interest from the Estate of B.N. Muncy, Jr. to C.E. LaRue.

Should you have any questions regarding the above, please call or my email address is [phaden@mewbourne.com](mailto:phaden@mewbourne.com).

Sincerely yours,
