Dear Mr. McCright and Michael Feldewert:

Gentlemen, I have requested of the NMOCD a continuance of Case No. 15126.

I have not received notice of the case to date and, as such, have not had a chance to review the proposal or retain council should that become necessary.

RE: Request for Continuance  
Case Number 15126

Dear Ms. Davidson:

Thank you for taking my call this afternoon Florine. At this time I would like to formally request a *continuance of the above referenced cause until the following hearing date*. Per your advice, I am copying both Dan McCright and Michael H. Feldewert with Holland & Hart with this request via email this afternoon and will also send them the same via the Postal Service.

I submitted a Change of Address to EOG several months ago to their Houston, Texas office and I receive mail from them from time to time.

I have not however, to date, received notice of the above proposed action at my correct address. I spoke with Dan McCright at EOG's Midland, Texas office on Tuesday May 20<sup>th</sup> and apparently the application for the above case was submitted out of the Midland office which had my old address. Mr. McCright said he would have the Certified Letter sent to me, so I am sure it is on its way.

Yesterday, my cousin emailed me a copy of the Certified Letter he received from Holland & Hart, the law firm representing EOG in this matter. That May 9<sup>th</sup> letter states that a Pre Hearing Statement, that I/ we must be submitted to your office by Thursday prior to that hearing which is today!

In any event, I have not had an opportunity to find or retain an attorney for this matter nor have I had time to review this proposed Case and I don't understand how the proposed action would affect me or my Sister's interest.

If you have any questions or concerns, or if I might elaborate, please feel free to call me at (970) 819-8642.

Best Regards,

Ross Easterling
