Jim, I concur.

This case is on next week's docket, and I would have a conflict on March 6 with a land case that I have in Taos.

Richard: I have just received a new C-108 for the subject SWD well. In order to comply with Division filing and notice requirements, the earliest that this matter can be heard is April 3rd. I will file an amended application for that date. But, you mentioned setting this matter for a special hearing date. Therefore, although I will file for an April 3rd date, it may be better to set a special hearing after April 3rd. I spoke with Mike, and he has no objection to this request. I ask Ernie if he also concurs.

Jim
