Re: **Case No. 14613**

Application of COG Operating LLC ("Concho") for Special Pool Rules and Regulations for the Artesia Glorieta-Yeso, Bear Grass Draw Glorieta - Yeso, Cedar lake Glorieta - Yeso, Empire Glorieta - Yeso, Fren Glorieta - Yeso, East Fren Glorieta - Yeso, Grayburg Jackson Seven Rivers - Queen - Grayburg - San Andres - Glorieta - Yeso (Paddock), Grayburg Jackson Seven Rivers - Queen - Grayburg - San Andres, Grayburg Jackson Yeso, North Leamex Paddock, Loco Hills Glorieta - Yeso, and West Maljamar Yeso, and Cancellation of Overproduction, Lea and Eddy Counties, New Mexico.

Dear Ms. Bailey :

As operators in several of the above- referenced pools, **OXY USA Inc, OXY USA WTP Limited Partnership, and Occidental Permian Ltd** (hereinafter together as "OXY") are writing to express their support of Concho's application. Each of these pools is located within the Yeso formation. OXY believes the current production allowable is insufficient to properly produce wells in the reservoir and that the requested allowable will avoid wasting reservoir energy and will protect the correlative rights of owners.

Very truly yours,

OXY USA Inc
OXY USA WTP Limited Partnership
Occidental Permian Ltd
