RE: Grace Carlsbad No. 1 C-108 Application

Mr. Hopson:

Key Energy has expressed interest in resolving the outstanding application for the renewal of the injection authority for the Grace. Based on the BC Operating's protest, Division is preparing to forward this application to be heard as a case on the Division docket. Prior to proceeding with the application, does BC Operating protest still stand and, if the application is heard, will BC Operating make an appearance as stated in the protest? Please provide OCD with your input when convenient. PRG
