APPLICATION OF COG OPERATING  
LLC FOR A NON-STANDARD  
SPACING AND PRORATION UNIT  
AND COMPULSORY POOLING,  
LEA COUNTY, NEW MEXICO

Case No. 15295

**ERRATA NOTICE**

Applicant COG Operating LLC ("COG") hereby provides notice of a property description error in its application for an order (i) approving a 200-acre non-standard spacing and proration unit to be dedicated as the project area for the Skull Cap State Com #2H horizontal well, and (ii) pooling all uncommitted mineral interests in the Bone Spring formation.

COG's application describes the project area as comprising the "W/2 NE/4 of Section 5, Township 25 South, Range 35 East and the W/2 SE/4 of Section 32, Township 24 South, Range 35 East, N.M.P.M., Lea County, New Mexico." That property description is underinclusive and erroneous. The correct property description for the proposed project area is *the W/2 NE/4 and NW/4 SE/4 of Section 5, Township 25 South, Range 35 East and the W/2 SE/4 of Section 32, Township 24 South, Range 35 East, N.M.P.M., Lea County, New Mexico.*
