**Re: Application of COG Operating LLC for a Non-Standard Spacing and
Proration Unit, and Compulsory Pooling, Eddy County, New Mexico.
Halberd 27 State Com No. 2H Well**

Dear Sir or Madam:

This letter is to advise you that COG Operating LLC has filed the enclosed application with the New Mexico Oil Conservation Division. *Your interests are not being pooled under this application.* You are receiving notice of this application because you own an interest below 4,000' in the Yeso formation (Red Lake; Glorieta Yeso Northeast pool) that is not being pooled for the proposed well. The pooled interval for the proposed well is limited to that portion of the Yeso formation above 4,000'.

This application has been set for hearing before a Division Examiner at 8:15 AM on May 14, 2015. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe Offices located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 19.15.4.13.B to file a Pre-hearing Statement four days in advance of a scheduled hearing. This statement must be filed at the Division's Santa Fe office at the above specified address and should include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

If you have any questions about this matter please contact Dylan Park, at (432) 685-2539 or dpark@concho.com.

Sincerely,

Jordan L. Kessler
