RE: Lynx Petroleum Consultants, Inc. Application for Compulsory Pooling, #13,578  
XTO Energy Inc., Application for Compulsory Pooling, #13,610

Dear Ms. Davidson:

Both of these companies have applied for compulsory pooling, utilizing the same Amoco Federal 'DM' No 1 Well. Both applications are set for hearing before OCD on December 15th. Lynx and XTO are working on a potential settlement concerning this location and their respective ownership interests. Therefore, we request that both of these cases be continued to the January 6, 2005 hearing. Mr. James Bruce, who represents XTO, concurs in this request.

Thank you for your courtesies.

Sincerely,  
DOMENICI LAW FIRM, P.C.
