Re: Case No. 13523; Application of the New Mexico Oil Conservation Division for an Order Requiring Spence Energy Company to Properly Plug One Well, Etc.

Ladies and Gentlemen:

Due to an apparent crossing of signals, the necessary notice letters for this hearing were not sent.

We therefore request that the case be continued to January 19 to permit notices to be sent.

Should you have questions, please feel free to call the undersigned at (505)-476-3450.

Very truly yours,

David K. Brooks,
Assistant General Counsel
