Hi Jim..

Phillip will be essential to any meeting of the Delawarians so leaving meeting decision to him. Mike and I should sit in to learn more if meeting happens.

I'm doing the docket next week, do you have any insight on which cases I should spend the prep time on? Or which may retreat into next year?

Gentlemen: Mewbourne would like to meet briefly with Division personnel to discuss some SWD issues. T-In particular, Mewbourne has drilling plans in the Red Hills area, and would like to discuss disposal in the Delaware and potential effects on the Avalon zone. They are in town for hearings next Wednesday, and should be done by mid to late morning. Is it possible for one or more of you to meet with them (a landman and an engineer) in the afternoon?

Thanks.

Jim
