**APPLICATION OF DEVON ENERGY
PRODUCTION COMPANY, L.P. FOR

CASE NO. 13630

2006 FEB 28 PM 2 03

MOTION FOR CONTINUANCE

OXY WTP, LP and Occidental Permian, Ltd. ("OXY"), moves the Division to enter an order continuing the hearing in this case from the March 2, 2006 examiner hearing docket to the examiner hearing scheduled for March 30, 2006, and in support of the motion states:

1. Devon Energy Production Company, L.P. ("Devon") agreed to produce information concerning the above-referenced application to OXY. Devon did not produce that information until late last week (around Thursday, February 23, 2006).
2. OXY representatives have determined today that they do not have a sufficient amount of time to fully review the information and prepare for hearing. OXY therefore requests a continuance to give it an opportunity to be adequately prepared for hearing.
3. Counsel for OXY contacted counsel for Devon, Mr. Jim Bruce this morning to request the continuance. Mr. Bruce has not yet been able to reach his client to determine whether they will concur or object to a continuance.

WHEREFORE, OXY requests that Oil Conservation Division Case 13630 be continued to the March 30, 2006 examiner hearing docket.

Respectfully submitted,

HOLLAND & HART, LLP
