Subject: Special Docket No. 07-16: Case No. 1537⁹³ Motion to Continue and Motion to Shut-in

RE: Case No. 1537¹⁷ Application to Revoke SWD-640

Counsels:

I talked with Mr. Feldewert regarding Devon's response to OXY's motion to continue the case due to the volume of information being reviewed and prepared. I was unable to reach Mr. Bruce on Friday to setup a pre-hearing conference call on the continuance motion. However, Mr. Feldewert stated that in discussion with Mr. Bruce on Thursday, a mutual decision had been reached and that the continuance would be accepted. So to make it official, I agree with the continuance for the hearing. Please inform your witnesses that the case will be heard on March 1st (Tuesday) at 9AM in Porter. And please check to make sure that your witnesses can make it. OCD will post the notification of the new hearing date once everyone is sure of their schedule.

On the motion to shut-in the SWD well, Mr. Feldewert is going to talk with his client and respond next week. When OXY has responded, I'll contact the attorneys and set a time for a pre-hearing conference either by phone or at OCD depending on availability/preference. Hopefully, I can also get a confirmation of the March 1st date at the same time. Thanks. PRG
