Mr. Lowe,

RSC Resources, Cogent Energy and Guardian Operating have waived their objection to the NSL application at issue in Case No. 15486. Provided that this waiver is sufficient, Matador would like to dismiss this case and have its application administratively approved. My records indicate that no other parties have filed a protest to this application. Please let me know if you need anything else, or if you have any questions. This case is listed on the April 28, 2016 docket.

Thank you,  
Jennifer Bradfute
