Dear Director Catanach:

On April 13, 2016, the New Mexico Oil Conservation Division entered Order No. R-14145 in Case No. 15447 granting the pooling application of COG Operating LLC for the Admiral Fed Com Well No. 2H in the W/2 E/2 of Section 21 and the W/2 E/2 of Section 28, Township 25 South, Range 29 East, NMPM, Eddy County, New Mexico.

Ordering Paragraph 16 states: "[s]hould all the parties to this compulsory pooling order reach voluntary agreement subsequent to entry of this Order, this order shall thereafter be of no further effect." Pursuant to Ordering Paragraph 17, Concho is notifying the Division that a voluntary agreement has been reached with Devon Energy Production Company, L.P., the only pooled party under the Order.

Thank you for your time and attention to this matter.

Sincerely,
