STATEMENT OF THE CASE

APPLICANT

Mewbourne Oil Company seeks an order pooling all mineral interests in the Wolfcamp formation underlying the W/2 of Section 27, Township 23 South, Range 28 East, NMPM, for all pools developed on 320 acre spacing within that vertical extent. The unit is to be dedicated to the Speedwagon 27 W2DM Fee Well No. 1H, a horizontal well with a surface location 190 feet from the north line and 660 feet from the west line, the first take point 590 feet from the north line and 698 feet from the west line, and a terminus 330 feet from the south line and 660 feet from the west line, of Section 27. The location is unorthodox. Also to be considered will be the cost of drilling and completing the well and the allocation of the cost thereof, as well as actual operating

costs and charges for supervision, designation of applicant as operator of the well, and a 200% charge for the risk involved in drilling and completing the well.
