1 (Time noted 8:52 a.m.)

2 EXAMINER DAWSON: At this time, we are  
3 calling cases 15438, 15439, and 15440. They will be  
4 consolidated. These are all Devon Energy Production  
5 Company, LP, cases for special pool rules for the  
6 Brinninstool-Bone Spring Pool, Triple X-Bone Spring  
7 Pool, and the Cruz-Bone Spring Pools.

8 And Mr. Bruce will provide affidavits of  
9 notice. Is that --

10 MR. BRUCE: That's correct. Mr. Examiner,  
11 and I am entering an appearance for the applicant Devon  
12 Energy.

13 MS. KESSLER: This is Jordan Kessler on  
14 behalf of COG Operating, LLC. And I would like to enter  
15 an appearance.

16 EXAMINER DAWSON: Okay.

17 MR. BRUCE: Mr. Examiner, this matter was  
18 heard four weeks ago, and at that time, Examiner  
19 Jones -- in this case, Devon is seeking 320 acre spacing  
20 for horizontal Bone Spring wells and an increase in the  
21 allowable for a 320 acre unit of 6,400 barrels of oil  
22 per day.

23 At the last hearing, Examiner Jones  
24 requested that we amend the application and give new  
25 notice to request a vertical oil well allowable of 800  
26 barrels a day -- which we did not do the first  
27 go-around. So we amended the application and sent  
28 written notice to everyone.

29 And submitted as Exhibit 16 is my affidavit  
30 of notice. Everyone received notice except Angelo  
31 Holdings, LLC -- well, I haven't gotten a green card  
32 back. They did received actual notice of the original  
33 application, so we do have the correct address.

34 I don't know how you want to handle it. But  
35 I can always come back with a green card. It's probably  
36 sitting at the post office right now.

37 EXAMINER DAWSON: Okay.

38 MR. BRUCE: And, if necessary, it could be  
39 continued for two weeks.

40 EXAMINER DAWSON: Okay. We will continue  
41 this --

42 MR. BROOKS: Well, if you want to go to the  
43 post office and come back later in the day, we could  
44 take it under advisement, but that's up to you,  
45 Mr. Bruce.

46 MR. BRUCE: Well, why don't we just continue  
47 it at this point.

48 MR. BROOKS: That sounds good to me.

49 EXAMINER DAWSON: Okay. The request for

1 MR. BRUCE: And I move the admission of  
Exhibit 16.

2 EXAMINER DAWSON: First you are requesting  
Exhibit 16 to be part of the record, correct?

3 MR. BRUCE: That is correct.

4 EXAMINER DAWSON: Okay. Exhibit 16 will be  
admitted as part of the record.

5 MS. KESSLER: No objection.

6 (Devon Energy Production Company, LP,  
Exhibit 16 was offered and admitted.)

7 EXAMINER DAWSON: Okay. We will continue  
this case for two weeks to March 17th, 2016.

8 MR. BRUCE: You have an ambiguity in the  
record. Maybe you should read the numbers, and say, We  
continue case nos. --

9 EXAMINER DAWSON: Okay. To avoid ambiguity  
in the record, we continue case numbers 15438, 15439,  
and 15440 until March 17th, and that will enable  
10 Mr. Bruce to provide the affidavits to notice. So this  
case will be continued -- these three cases will be  
11 continued until March 17th, 2016.
