Mike,

I spoke with Paul Kautz, who agreed with the boundaries of the pool. He has decided the name will be the Doggy Draw Delaware Oil Pool, rather than the White Falcon pool. He indicated that he would approve designation of the pool.

Thanks, and see you in the morning.

Jordan and Mike:

Have you talked to Paul Kautz in Hobbs about a pool designation?

I will ask tomorrow, and will cut down on the time the Order will get written. The pool designation will required to have Paul's approval.

Remember pool names in most cases have a geographic location; formation name, direction.

Thanks  
Mike
