Case No. 15,519

NOTICE OF INTERVENTION

This Notice of Intervention is submitted by Kaiser-Francis Oil Company ("KFOC") as required by the regulations of the Oil Conservation Division.

NATURE OF INTERVENOR'S INTEREST

Applicant seeks an order revoking the authority granted by Administrative Order SWD-744 to inject into the Bone Spring formation in the Willow Lake Well No. 1, located in Unit C of Section 22, Township 24 South, Range 28 East, NMPM, Eddy County, New Mexico.

KFOC is the operator of the Willow Lake Well Nos. 1 and 2 located in the S½ of Section 22, Township 24 South, Range 28 East, NMPM.

BASIS OF INTERVENOR'S POSITION

KFOC fully supports Mewbourne's application because the SWD well adversely affects KFOC's immediately offsetting acreage.

In addition, KFOC objects to the continuance requested by the receiver of Pyote Well Service, LLC.

Respectfully submitted,

James Bruce
