**Subject:** Continuance of Case No. 15277 (Re-opened)

Gentlemen:

Mr. Herrmann has forwarded the e-mail chain regarding the continuance of this re-opened case. Mr. Herrmann has assured me that a good-faith effort is being made by all parties involved in this application to provide an alternative resolution to the plugging required for a significant number of the wells identified in Order No. R-14155. Based on these recent events, Case No. 15277 (Re-opened) will be continued to the September 29<sup>th</sup> Docket. I will remind all parties that this is the third continuance of this case and stress the necessity for some progress, especially if the parties find the need to request any future extension. PRG
