You're very kind but please don't worry. We agree to the continuance.

Thanks

Ms. Munds-Dry:

Having reviewed the case file, it appears that I have been pre-mature in my notice of continuance and have not completely polled all parties involved with these cases. So, to maintain some semblance of professional courtesy at OCD, does COG have any objection to the continuation of the consolidated cases to the September 29th Docket? My apologies in this oversight. Ladies and Gentlemen:

Counsel for Caza has requested a continuance of the consolidated cases until the September 29th Docket. Counsel for Matador has responded (via e-mail) that Matador does not object to the two-week continuance. Therefore, both cases will be moved to the September 29th Docket. PRG
