RATIFICATION AND JOINDER OF UNIT AGREEMENT
AND
UNIT OPERATING AGREEMENT
("Ratification and Joinder")

In consideration of the execution of the Unit Agreement for the Development and Operation of the Kimbeto Wash Unit ("Unit"), County of San Juan, State of New Mexico, dated _____, _____, in form approved on behalf of the Secretary of the Interior, and in consideration of the execution or ratification by other working interest owners of the contemporary Unit Operating Agreement which relates to said Unit Agreement, the undersigned hereby expressly ratifies, approves and adopts said Unit Agreement as approved as set out above, and also said Unit Operating Agreement attached hereto as Exhibit "A", as fully as though the undersigned had executed the instrument.

This Ratification and Joinder shall be effective as of the date set forth below as to the undersigned's interest in any lands or leases, or interests therein, and royalties presently held or which may arise under existing option agreements or other interests in unitized substances, covering any lands within the Unit Area in which the undersigned may be found to have an oil and gas interest. Due to the efforts of unit assembly, it is further understood and agreed that the Unit may be adjusted by the deletion of certain lands where the execution and ratification of certain working interest owners is not obtained or said interests are affected by title, reversionary interest obligations or other events affecting interests.

While this is not anticipated, it is a situation that could occur and the ratification and joinder given herein is given with full knowledge of the possibility of such occurrence(s). Should the Unit be adjusted as set out above, the interests of the remaining working interest owners shall be adjusted accordingly and the ratification and joinder given herein is executed with full knowledge of the possibility of such occurrence with said adjusted interest.

The undersigned recognizes that all working interest owners in the Unit will be executing a form of this Ratification and Joinder and such executions will be on different and separate counterparts, and each counterpart hereof shall be deemed to be an original instrument, but all such counterparts shall constitute but one instrument which may be attached to the Unit Agreement and Unit Operating Agreement.

This Ratification and Joinder shall be binding upon the undersigned, its heirs, devisees, assignees or successors in interest.

EXECUTED AND EFFECTIVE this 20th day of October, 2015.
