Attn: Mr. Robert E. Lee, III

Re: Talco Unit
Rejection of 2015 Plan of Development
Lea County, New Mexico

Dear Mr. Lee

We received your letter of July 8, 2015 together with your 2015 plan of development for the Talco Unit agreement, Lea County, New Mexico. Your plan as proposed is: (1) No plug back, conversions, or abandonments are planned for 2015. (2) Possible road maintenance.

Please be advised that your 2015 plan of development for the Talco Unit as submitted is unacceptable. Because production from this unit is minimal the Commissioner of Public Lands is requesting that the Bureau of Land Management terminate this unit.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Respectfully,

A handwritten signature in black ink, appearing to read "Aubrey Dunn", is written over the typed name.
