Re: October 13, 2016 Tentative Decision regarding Commercial Surface Waste Management
Facility Permit NM1-61, To Be Issued to C.K. Disposal, LLC

Dear Mr. Catanach:

We are writing to follow up on our November 22, 2016 letter to you, which requests on behalf of Louisiana Energy Services, LLC ("LES"), a hearing in connection with C.K. Disposal, LLC's application for a permit to operate an oil and gas waste disposal facility. We want to clarify our statement in footnote 1, found on page 2 of the letter, regarding the ownership status of the land on which LES' uranium enrichment plant is built. Under LES' deed/leaseback arrangement with the County that was part of an industrial revenue bond transaction, LES holds equitable and/or beneficial title to the parcel, but Lea County technically holds legal title to the parcel.

Very truly yours,

RODEY, DICKASON, SLOAN, AKIN & ROBB, P.A.
