Florene,

We just received all required documentation for the plugging of G P Sims single well, the Gulf State No. 1, API No. 30-25-03533. This was the relief sought in the Compliance and Enforcement Bureau's application for hearing, so we move to dismiss OCD case 15623. Please let me know if you need any further information.

Thanks

Florene,

Could we please continue OCD Case 15623 for two weeks. Opposing Counsel has no objection. We are working on resolving this matter outside of hearing and are close to resolution. Please let me know if you need any further information.

Thanks
Keith
