Re Devon/OXY Case 15397

Dear Mike

I have reviewed your motion to dismiss with my client and Devon does not agree to it Devon will agree to the following

- 1 The case will be continued indefinitely pending testing on the well
- 2 OXY's well will remain shut in pending testing All test results will be provided to Devon as they are performed
- 3 Devon will be given 45 days advance notice of OXY's intent to re commence injection
- 4 Devon will agree to defer production some of the items in the subpoena during the continuance but OXY will provide the complete well file (Item 1 on Exhibit A to the subpoena) and the results of tests already conducted by December 1 2015

Please contact me about this matter

Very truly yours,

James Bruce
