**Re     OCD Case No 15652**

Dear Mrs Gallegos

There is substantial information required from not only the president himself and his spouse but the three additional heirs of the company including their spouses. It has come to our attention that more time is needed in order to accurately gather and process all the information needed for bonds to be issued to Westbrook Oil Corporation. We estimate at least four weeks are needed to not only gather the information but also allow the insurance company to process and issue plugging bonds on the wells in violation. Therefore we are asking for an additional four weeks to obtain the bonds.

Sincerely

Mike Westbrook  
President
