**IN THE MATTER OF THE APPLICATION
OF OWL SWD OPERATING, LLC FOR
AUTHORIZATION TO INJECT, LEA COUNTY,
NEW MEXICO**

CASE NO. 15723

NOTICE OF SERVICE OF PLEADINGS

OWL SWD Operating, LLC ("OWL"), by and through its undersigned attorneys, hereby provides Notice of Service of OWL's Pre-Hearing Statement and corresponding exhibits, filed on June 1, 2017, to the New Mexico Oil Conservation Division ("OCD") as required by 19.15.4.13 (A) NMAC.

On June 6, 2017, a Pre-Hearing Conference was held before the Hearing Examiner, Mr. William V. Jones, at which Counsel and representatives of the State Land Office ("SLO") and Mr. David K. Brooks on behalf of OCD were present. At this conference, OWL was made aware that OCD had filed an Entry of Appearance and Pre-Hearing Statement. Undersigned counsel have no record of service of this document and were unaware of it prior to the Pre-Hearing Conference. An unsigned copy of the document without a certificate of service was provided by Mr. Brooks to counsel following the Pre-Hearing Conference. The Entry of Appearance and Pre-Hearing Statement filed by OCD does not appear on the website, and at the conference a staff member of the Energy, Minerals and Natural Resources Department informed the parties that the scanner was not working.

At the conference, the Hearing Examiner decided to grant the SLO's Motion for Continuance to June 22, 2017. In accordance with 19.15.4.13 (A) NMAC, upon learning of and

receiving a copy of OCD's Entry of Appearance and Pre-Hearing Statement, OWL hereby serves upon OCD the Pre-Hearing Statement and corresponding exhibits filed on June 1, 2017.

WHEREFORE, OWL requests that the Hearing Examiner take notice of this service of process as OWL's compliance with 19.15.4.13 (A).

Respectfully submitted,

GALLAGHER & KENNEDY, P.A.

THE PURPOSE OF CONSIDERING:**

**OWL SWD OPERATING, LLC APPLICATION FOR
AUTHORIZATION TO INJECT**

Case No. 15723

MOTION FOR CONTINUANCE

The State Land Office ("SLO") through its attorney, Katherine M. Moss, moves for a continuance in this case. In support of its Motion the SLO states:

1. Today, OWL SWD Operating, LLC, ("OWL") provided the SLO with Final UIC Hydrogeological Assessment, which is ninety (90) pages in length, that will need to be reviewed in order for the SLO to properly present its case.

2. In addition, OWL served the SLO with its Response to Motion to Intervene after 1:00 p.m. today and the SLO would like an opportunity to reply.

The SLO asks that the case be placed on the next available docket, which is June 22, 2017.

Respectfully submitted,

Katherine M. Moss
