Subject Request for Continuance Matador Application Case No. 15721

Dear Florene: On behalf of Jalapeno Corporation, intervenor, we request that the hearing on Matador's application in this matter be continued to June 22, 2017. We have contacted Ms. Kessler, who advises that Matador does not object to the continuance. Please let us know if we need to take any other action to obtain the continuance. Thank you.
