**RESPONSE IN OPPOSITION TO MOTION TO CONTINUE**

Applicant Forty Acres Energy, LLC ("Forty Acres") submits this response to the Motion to Continue filed by OXY USA Inc. ("Oxy") and Conoco Phillips Company ("COP").

1. This matter is set for hearing on August 17<sup>th</sup>.
2. Contrary to the assertions in the motion, Applicant has been in touch with Oxy and COP. Attached hereto as Exhibit A is a letter sent to Oxy in January regarding a working interest owners meeting to discuss unitization (a similar letter was sent to COP). At that meeting, held on February 21<sup>st</sup>, unitization and the proposed tract participation, was fully discussed.
3. In addition, Applicant's landman had subsequent discussions with employees of both Oxy and COP. Finally, the unit agreement and unit operating agreement were sent to both parties in June. They have had sufficient time to review and comment on the agreements.
4. Applicant requests that the motion be denied.

Respectfully submitted,
