Subject: RE: Extension of Time to file legal briefs in Oil Conservation Division Case No. 15723

Mr. Hearing Examiner,

Ms. Moss provided a draft of the motion to Messrs. Brooks and Newell and me and all have indicated that we concur or do not object. The proposed schedule as I understand it is for parties to file their initial legal briefs by next Friday, August 25, and then to file responses to the initial round of legal briefs, written closing arguments and proposed findings by September 22. OWL is in agreement with this schedule and supports granting the SLO's motion.

Thank you for reaching out.

Best,

Dal
