Notice of Violation

Dear Norman L & Loretta E Gilbreath,

The Oil Conservation Division ("OCD") now reviews all operators out of compliance with the OCD's financial assurance requirements. Pursuant to 19.15.8.9 NMAC, an operator is required to furnish financial assurance acceptable to the OCD in the form of an irrevocable letter of credit, plugging insurance policy, or cash or surety bond running to the state of New Mexico conditioned that the well be plugged and abandoned and the location restored and remediated in compliance with division rules. According to OCD records, Norman L & Loretta E Gilbreath is the operator of record of the attached list of wells that require additional financial assurance.

Failure to provide the OCD with acceptable financial assurance is a violation of OCD rules and the Oil and Gas Act, NMSA 1978 § 70-2 *et. seq.*, and could be punishable by a fine of not more than one thousand dollars (\$1,000) per day for each violation. NMSA 1978, § 70-2-31.

Please review 19.15.8 NMAC to determine the types and amounts of financial assurance that the OCD accepts. Immediate action is now required. If no response is received within 30 days, the OCD will take further compliance action against Norman L & Loretta E Gilbreath, including, but not limited to, seeking a formal order to require Norman L & Loretta E Gilbreath to provide acceptable financial assurance for the its wells at an OCD hearing and pursuing other legal available remedies to obtain compliance.

If you have any questions regarding the contents of this letter, please contact the OCD Bond Administrator, Denise Gallegos at (505) 476-3453 to schedule a compliance conference to discuss the outstanding compliance issues.
