Re: **OWL SWD, LLC**  
**Case No. 15723**

To Whom This May Concern:

In speaking with OWL SWD, LLC (OWL), Special Energy Corporation was advised that Case No. 15723 relates to the Application of a new injection well to replace the existing Maralo Sholes B No. 2 well.

SEC does not object to this Application, as long as OWL does not operate both the Maralo Sholes B No. 2 and the new well (Bobcat SWD No. 1) at the same time.

Please feel free to contact me at the number below with any questions.
