Dear Mr. Ingram,

COG Operating LLC (COG), as Operator, proposes to drill the Coonskin Fee 25H well as a horizontal well at the above-captioned location to a TVD of approximately 12,678' and a MD of 19,800' to test the Wolfbone Pool ("Operation"). The total cost of the Operation is estimated to be \$10,015,900 and a detailed description of the cost is set out in the enclosed Authority for Expenditure ("AFE").

COG is proposing to drill this well under the terms of the AAPL Form 610-1989 Operating Agreement (Horizontal Mod.). The Operating Agreement covers E/2 W/2 of Section 28 and E/2 NW/4 of Section 33, both in T24S, R35E, Lea County, NM; a fully executable copy will be sent for your execution if you should choose to participate with following general provisions:

- 100% / 300% Non-consenting penalty
- \$7,000 / \$700 Drilling and Producing rate
- COG named as Operator

If you do not wish to participate in the Operation and have an un-leased interest, COG would like to offer the following lease terms:

- 3 year primary term
- 20% royalty interest
- \$750 per net acre bonus consideration

The Lease offer is subject to the approval of COG's management and verification of title.

If an agreement cannot be reached within 30 days of the date of this letter, COG will apply to the New Mexico Oil Conservation Division for compulsory pooling of your interest into a spacing unit for the proposed well if uncommitted at such time.

If you have any questions, please do not hesitate to contact the undersigned at 432-221-0465.

Respectfully,

Mike Wallace  
Senior Landman

Dear Mr. Ingram,

COG Operating LLC (COG), as Operator, proposes to drill the Coonskin Fee 28H well as a horizontal well at the above-captioned location to a TVD of approximately 12,614' and a MD of 19,800' to test the Wolfcamp Pool ("Operation"). The total cost of the Operation is estimated to be \$9,520,100 and a detailed description of the cost is set out in the enclosed Authority for Expenditure ("AFE").

COG is proposing to drill this well under the terms of the AAPL Form 610-1989 Operating Agreement (Horizontal Mod.). The Operating Agreement covers W/2 W/2 of Section 28 and W/2 NW/4 of Section 33, both in T24S, R35E, Lea County, NM; a fully executable copy will be sent for your execution if you should choose to participate with following general provisions:

- 100% / 300% Non-consenting penalty
- \$7,000 / \$700 Drilling and Producing rate
- COG named as Operator

If you do not wish to participate in the Operation and have an un-leased interest, COG would like to offer the following lease terms:

- 3 year primary term
- 20% royalty interest
- \$750 per net acre bonus consideration

The Lease offer is subject to the approval of COG's management and verification of title.

If an agreement cannot be reached within 30 days of the date of this letter, COG will apply to the New Mexico Oil Conservation Division for compulsory pooling of your interest into a spacing unit for the proposed well if uncommitted at such time.

If you have any questions, please do not hesitate to contact the undersigned at 432-221-0465.

Respectfully,

Mike Wallace  
Senior Landman

**Re: Application of COG Operating LLC for a non-standard spacing and  
proration unit and compulsory pooling, Lea County, New Mexico.  
Coonskin Fee No. 28H Well**

Ladies & Gentlemen:

This letter is to advise you that COG Operating LLC has filed the enclosed application with the New Mexico Oil Conservation Division. This application will be set for hearing before a Division Examiner at 8:15 a.m. on July 20, 2017. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe Offices, located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 19.15.4.13.B to file a Pre-hearing Statement four business days in advance of a scheduled hearing. This statement must be filed at the Division's Santa Fe office at the above specified address and should include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

**Re: Application of COG Operating LLC for a non-standard spacing and  
proration unit and compulsory pooling, Lea County, New Mexico.  
Coonskin Fee No. 28H Well**

This letter is to advise you that COG Operating LLC has filed the enclosed application with the New Mexico Oil Conservation Division. *Your interests are not being pooled under this application*, but as a lessee or operator in an offsetting tract, you are entitled to notice of this application.

This application has been set for hearing before a Division Examiner at 8:15 AM on July 20, 2017. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe Offices located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

This statement must include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

If you have any questions about this matter please contact Mike Wallace, at (432) 221-0465 or [MWallace@concho.com](mailto:MWallace@concho.com).

Sincerely,

Jordan L. Kessler
