- 1 [8:24 a.m.]
- 2 EXAMINER McMILLAN: Today is September 14,
- 3 2017. Today's docket is 33-17. First of all, as you
- 4 know, this is a huge docket. And the docket has been
- 5 split. And basically what's going to happen in the
- 6 hearing is that Will will hear the Kaiser-Francis cases
- 7 and Will will hear the Forty Acres cases, and then I'm
- 8 going to hear the OXY cases.
- 9 And actually, there is a schedule of the
- 10 hearings. Be advised that Mike is upstairs, Will is
- 11 downstairs.
- 12 Now what I'd like to do at this point is go
- 13 through the continuances and dismissals. I'm going to
- 14 start on page 2. Case Number 15819 shall be continued
- 15 till October the 12th.
- Turning to page 3, Case Number 15673 shall
- 17 be continued until September the 28th.
- 18 Case Number 15689 shall be continued until
- 19 September the 28th.
- Turning to page 4, Case Number 15773 shall
- 21 be continued until September the 28th.
- 22 Case Number 15774 shall be continued until
- 23 September the 28th.
- 24 Case Number 15755 shall be continued till
- 25 October the 12th.

1 Turning to page number 7, Case Number 15185

- 2 shall be dismissed.
- 3 Case Number 15800 shall be continued until
- 4 October the 12th.
- 5 Case Number 15825 shall be continued until
- 6 September the 25th.
- 7 Case Number 15826 shall be dismissed.
- 8 Any other continuances or dismissals?
- 9 MR. HALL: Mr. Examiner, on page 1, Case
- 10 15818, Devon may be dismissed.
- 11 EXAMINER McMILLAN: Thank you.
- MR. HERRMANN: Mr. Examiner, I'm sorry, I
- 13 might not have heard. But Cases 30 and 33 on the last
- 14 page, did you read those dismissals?
- 15 EXAMINER McMILLAN: I have Case 31, October
- 16 the 12th; 32, September the 28th; Case 33 dismissed.
- The other point I'd like to bring up is
- 18 that if you'll look in the ordering paragraphs, that
- 19 ordering paragraph -- excuse me, that's in the hearing
- 20 order -- it says, "The operator shall furnish the
- 21 Division in each known pool of working interest owner,
- 22 including nonconsenting working interest owners, and an
- 23 itemized schedule of actual well costs within 90 days
- 24 following completion of the subject well. If no
- 25 objection to the actual well cost is received by the

Page 4 Division, and the Division has not objected within 45 days following receipt of the schedule, the actual well costs shall deemed to be reasonable well costs. there is no objection to the actual cost within the 45-day period, the Division will determine reasonable well costs after public notice and hearing." Most operators have not supplied this to the Division, and the Division expects the applicants to supply this required information. MR. JONES: Matador has.
