I'm sorry Florene, in my earlier email I had the incorrect case number in the subject line. I have changed the subject line, but to be clear, I am requesting a continuance for case no. 16042.

(Though it may be worth noting, I have also previously requested a 2 week continuance for Case. No. 16041 as well)

Florene:

We have been in discussion with the operator in this case and are working toward a resolution outside of hearing. Therefore, we request a 2 week continuance to the April 5 Docket to allow for more time to facilitate discussion.

Thank you
