DEPARTMENT OF ENERGY, MINERALS AND NATURAL RESOURCES
OIL CONSERVATION DIVISION**

**APPLICATION OF RIDGE RUNNER
RESOURCES OPERATING, LLC
FOR COMPULSORY POOLING,
EDDY COUNTY, NEW MEXICO**

Case No. 20412

APPLICATION

Pursuant to NMSA § 70-2-17, Ridge Runner Resources Operating, LLC ("Ridge Runner") applies for an order pooling all uncommitted mineral interests in the Wolfcamp formation in a standard 640-acre horizontal spacing unit comprised of the S/2 of Section 16 and the S/2 of Section 17, Township 22 South, Range 28 East in Eddy County, New Mexico. In support of its application, Ridge Runner states:

1. Ridge Runner (OGRID No. 373013) is a working interest owner in the horizontal spacing unit and has the right to drill a well thereon.
2. The horizontal spacing unit will be dedicated to Ridge Runner's proposed Barbarian Fed Com 1617W #2H well, which will be horizontally drilled from a surface location in Unit M in Section 15 to a bottom hole location in Unit M in Section 17, Township 22 South, Range 28 East.
3. The completed interval of the Barbarian Fed Com 1617W #2H well be orthodox.
4. Ridge Runner has undertaken diligent, good-faith efforts to obtain voluntary agreements from all mineral interest owners to participate in the drilling of the well, but has been unable to obtain voluntary agreements from all of the mineral interest owners.
5. The pooling of those uncommitted mineral interests will avoid the drilling of unnecessary wells, prevent waste, and protect correlative rights.

6. In order to allow Ridge Runner to obtain its just and fair share of the oil and gas underlying the subject lands, all uncommitted mineral interest owners in the horizontal spacing unit should be pooled.

WHEREFORE, Ridge Runner requests that this application be set for hearing on May 2, 2019 and that, after notice and hearing, the Division enter an order:

A. Pooling all uncommitted mineral interests in the Wolfcamp formation in the S/2 of Section 16 and the S/2 of Section 17, Township 17 South, Range 28 East;

B. Authorizing Ridge Runner to recover its costs of drilling, equipping, and completing the Barbarian Fed Com 1617W #2H well;

C. Considering the cost of drilling and completing the well and allocating the cost among the uncommitted mineral interest owners;

D. Approving the actual operating charges and costs of supervision during drilling and after completion, together with a provision for adjusting the rates pursuant to the COPAS accounting procedure; and

E. Imposing a 200% penalty for the risk assumed by Ridge Runner in drilling and completing the Barbarian Fed Com 1617 W #2H well against any mineral interest owner who does not voluntarily participate in the drilling of the well.
