

**STATE OF NEW MEXICO
DEPARTMENT OF ENERGY, MINERALS AND NATURAL RESOURCES
OIL CONSERVATION DIVISION**

**APPLICATION OF MATADOR PRODUCTION
COMPANY FOR COMPULSORY POOLING, LEA
COUNTY, NEW MEXICO.**

CASE NO. 20444

APPLICATION

Matador Production Company, ("Matador"), through its undersigned attorneys, hereby files this application with the Oil Conservation Division pursuant to the provisions of N.M. Stat. Ann. § 70-2-17, for an order pooling all uncommitted interests in the Bone Spring formation (Pronghorn; Bone Spring (Pool Code 96228)) in the 320-acre, more or less, horizontal spacing unit comprised of the E/2 E/2 of Sections 6 and 7, Township 23 South, Range 33 East, NMPM, Lea County, New Mexico. In support of its application, Matador states:

1. An affiliate entity of Matador Production Company (OGRID No. 228937) is a working interest owner in the proposed horizontal spacing unit and has the right to drill thereon.
2. Matador seeks to dedicate the above-referenced horizontal spacing unit to the proposed **Rodney Robinson Fed No. 108H Well**, which will be horizontally drilled from a surface location in the NE/4 NE/4 (Unit A) of Section 6 to bottom hole location in the SE/4 SE/4 (Unit P) of Section 7.
3. The completed interval for these wells will comply with the standard setbacks required by the statewide rules set forth in 19.15.15 NMAC.
4. Matador has sought and been unable to obtain voluntary agreement for the development of these lands from all working interest owners in the subject spacing unit.

5. The pooling of interests will avoid the drilling of unnecessary wells, will prevent waste, and will protect correlative rights.

6. In order to permit Matador to obtain its just and fair share of the oil and gas underlying the subject lands, all uncommitted interests in this horizontal spacing unit should be pooled and Matador Production Company should be designated the operator of this proposed horizontal well and spacing unit.

WHEREFORE, Matador requests that this application be set for hearing before an Examiner of the Oil Conservation Division on May 2, 2019, and, after notice and hearing as required by law, the Division enter an order:

- A. Pooling all uncommitted interests in the horizontal spacing unit;
- B. Designating Matador Production Company operator of this spacing unit and the horizontal well to be drilled thereon;
- C. Authorizing Matador to recover its costs of drilling, equipping and completing the well;
- D. Approving the actual operating charges and costs of supervision while drilling and after completion, together with a provision adjusting the rates pursuant to the COPAS accounting procedures; and
- E. Imposing a 200% penalty for the risk assumed by Matador in drilling and completing the well against any working interest owner who does not voluntarily participate in the drilling of the well.

Respectfully submitted,

HOLLAND & HART LLP

**ATTORNEYS FOR MATADOR PRODUCTION
COMPANY**

CASE 20444:

Application of Matador Production Company for compulsory pooling, Lea County, New Mexico. Applicant in the above-styled cause seeks an order pooling all uncommitted interests in the Bone Spring formation (Pronghorn; Bone Spring (Pool Code 96228)) in the 320-acre, more or less, horizontal spacing unit comprised of the E/2 E/2 of Sections 6 and 7, Township 23 South, Range 33 East, NMPM, Lea County, New Mexico. The above-referenced unit will be dedicated to the proposed **Rodney Robinson Fed No. 108H Well**, which will be horizontally drilled from a surface location in the NE/4 NE/4 (Unit A) of Section 6 to bottom hole location in the SE/4 SE/4 (Unit P) of Section 7. The completed interval for these wells will comply with the standard setbacks required by the statewide rules set forth in 19.15.15 NMAC. Also to be considered will be the cost of drilling and completing the wells, the allocation of the cost thereof, as well as actual operating costs and charges for supervision, designation of Matador Production Company as operator, and a 200% charge for risk involved in drilling and completing the wells. Said area is located approximately 25 miles southwest of Eunice, New Mexico.
