**APPLICATION OF CHAPARRAL ENERGY, LLC FOR  
APPROVAL OF A SALT-WATER DISPOSAL WELL,  
LEA COUNTY, NEW MEXICO**

*DLC*

**CASE NO. 13695**

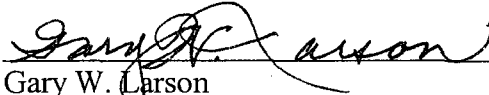

**MOTION FOR CONTINUANCE**

Pursuant to 19.15.14.1213 NMAC, Chaparral Energy, L.L.C. ("Chaparral") moves for a continuance of the hearing on its application for approval of a salt-water disposal well that presently is scheduled for May 11, 2006. In support of its motion, Chaparral states:

1. Pursuant to Examiner Hearing Docket No. 16-06, a hearing on Chaparral's application has been set on May 11, 2006.
2. The principal witness for Chaparral, who will appear and testify on its behalf, is unable to travel from Oklahoma City to Santa Fe to appear on May 11, 2006.
3. Therefore, Chaparral requests that the hearing on its application be continued, and further requests that the hearing be rescheduled on the Examiner Hearing Docket for June 8, 2006.
4. No party will be prejudiced as a result of the requested continuance.

WHEREFORE, Chaparral requests that the Hearing Examiner grant Chaparral's motion, continue the hearing in this matter until June 8, 2006, and grant Chaparral such additional relief as the Hearing Examiner deems appropriate.
