Re: *In the Matter of the Application of Lynx Petroleum Consultants, Inc. for Permit to Drill in Potash Area, Eddy 'BD' State No. 2 Well, Eddy County, New Mexico; Oil Conservation Division Case No. 13762; Settlement Facilitation Meeting with Oil Conservation Division*

Dear Pete:

I have spoken to Carol Leach about scheduling the settlement facilitation on the dates we had agreed to – October 11 or October 13, 2006. David Brooks is available on October 11 for that meeting. I suggest that we talk after tomorrow's meeting of our clients, and coordinate with David Brooks about it. I understand he may also be available on October 13 if we do not finish on October 11.

Very truly yours,

Larry P. Ausherman
