Hon. Richard Ezeanyim
Hearing Examiner
New Mexico Oil Conservation Division

Re: Case No. 13711; Application of the New Mexico Oil Conservation Division for an Order Requiring Tempo Energy, Inc. to Plug One Well, Etc.

Dear Mr. Ezeanyim:

The Division has decided that Joe Peterson and Peterson Petroleum Company should be named as additional respondents prior to the hearing of this matter. The current setting of this case on the August 31 docket does not allow sufficient time to give the proposed additional parties the required twenty-days notice

We accordingly request that the hearing scheduled for August 31, 2006 be postponed to the September 28, 2006 examiner docket.

Should you have questions, please feel free to call the undersigned at (505)-476-3450.

Very truly yours,

David K. Brooks,
Assistant General Counsel
