APPLICATION OF THE NEW MEXICO OIL CONSERVATION DIVISION FOR AN ORDER REQUIRING TEMPO ENERGY, INC. TO PLUG ONE WELL AND ORDERING A FORFEITURE OF APPLICABLE FINANCIAL ASSURANCE IN EVENT OF OPERATOR'S NON-COMPLIANCE; LEA COUNTY, NEW MEXICO.

CASE NO.: 13711

## **MOTION FOR CONTINUANCE**

The Travelers Indemnity Company ("Travelers"), by and through its counsel of record Miller Stratvert P.A. (Ann M. Conway), pursuant to Division Rule 1211C, hereby moves the New Mexico Oil Conservation Division ("OCD") for a continuance of the hearing before a OCD hearing examiner on Thursday, June 8, 2006, at 8:15 a.m. As grounds for its motion Travelers states the following:

- 1. The Amended Application for Plugging and Forfieture of Bond ("Amended Application") filed herein alleges that the Operator Tempo Energy, Inc. ("Tempo") posted financial assurance in the form of a \$50,000.00 blanket surety (plugging) bond number 980F9988 by the Travelers Indemnity Company. The Amended Application requests an order:
  - A. Determining that the subject well should be plugged and abandon in accordance with a Division-approved plugging program.
  - B. Directing the Operator to plug the subject well by a date certain, and thereafter to remediate the site in accordance with OCD Rules.
  - C. Ordering that if the Operator does not plug the subject well within the time provided, the Division be authorized: (i) to plug the subject well and remediate the site; (ii) to declare forfeit the above-described financial

assurance; and (iii) to take necessary and appropriate measures to recover from the Operator any costs of plugging the subject well in excess of the amount of the applicable financial assurance.

- 2. Upon receipt of the Oil Conservation Division's Amended Application for Plugging and Forfeiture of Bond, Travelers began its investigation of the underlining facts in connection with the Amended Application. Operator Tempo has informed Travelers that it does not own, operate of have any interest in the well that is the subject of this matter. Operator Tempo informs Travelers that another Operator fraudulently used the Travelers bond to drill and operate the well. However, to date, Travelers has be unable to obtain all of the documentary and factual information it needs to prepare and file a Pre-Hearing Statement with Exhibits and to determine what witnesses, in any, should be called in connection with the adjudicatory proceeding. Therefore, Travelers cannot be prepared in time for the hearing currently scheduled on June 8, 2006.
- 3. Travelers has contacted Assistant General Counsel David K. Brooks, in connection with this motion for continuance and he does not oppose this motion.

WHEREFORE, Travelers respectfully requests for a thirty (30) Day continuance of the adjudicatory hearing in this matter.

RESPECTFULLY SUBMITTED,

Ann M. Conway
