3           CHAIRMAN FESMIRE: At this time we'll call to  
4   order the Thursday, February 8th, 2007, meeting of the New

6   that present are Commissioner Bailey, representing the Land  
7   Commissioner Patrick Lyons; Commissioner Olson; and  
8   Commissioner Fesmire. Since all three Commissioners are

11   Florene Davidson, and Commission counsel Cheryl Bada.

12                   \* \* \*

13  
14           CHAIRMAN FESMIRE: The first item on the docket  
15   is the -- are Causes Number 13,492, the *de novo* Application  
16   of Samson Resources -- Well, as you were, let's go back.

17           First item on the docket is the minutes of the  
18   previous meeting; is that correct?

19           MS. DAVIDSON: Right.

20           CHAIRMAN FESMIRE: I'm sorry.

21           Before the Commission are the minutes of the  
22   meeting held on January 11th, 2007, at which meeting all  
23   three Commissioners were present.

24           Commissioner Bailey, have you had a chance to  
25   review the minutes of the previous meeting?

1 COMMISSIONER BAILEY: Yes, I have, and I move  
2 that we adopt them.

3 CHAIRMAN FESMIRE: Commissioner Olson, have you  
4 had a chance to review?

5 COMMISSIONER OLSON: Yes, I have.

6 CHAIRMAN FESMIRE: And would you second the  
7 motion?

8 COMMISSIONER OLSON: Yes, I second.

9 CHAIRMAN FESMIRE: At this time there's a motion  
10 before the Commission to adopt the minutes as presented of  
11 the January 11th, 2007, meeting.

12 All those in favor signify by saying "aye".

13 COMMISSIONER BAILEY: Aye.

14 COMMISSIONER OLSON: Aye.

15 CHAIRMAN FESMIRE: Aye.

16 Let the record reflect that the minutes of the  
17 January 11th, 2007, meeting were adopted unanimously by the  
18 Commission. At this time they will be signed and  
19 transmitted to the secretary.

20 \* \* \*

21  
22 CHAIRMAN FESMIRE: The next item before the  
23 Commission is the adoption of the open meetings resolution.

24 Counsel Bada, do we need to read the resolution  
25 into the minutes, or just adopt it and sign it?

1 MS. BADA: You can -- If you just refer to it,  
2 you don't have to read it in, but you can if you would  
3 like.

4 CHAIRMAN FESMIRE: Let the record reflect that a  
5 resolution is before the Commission establishing the  
6 procedures for giving notice of meetings of the New Mexico  
7 Oil Conservation Commission.

8 Commissioner Bailey, have you had a chance to  
9 review this resolution?

10 COMMISSIONER BAILEY: Yes, I have, and I think we  
11 should adopt it.

12 CHAIRMAN FESMIRE: Commissioner Olson, have you?

13 COMMISSIONER OLSON: Yes, I reviewed it, and I  
14 second the motion.

15 CHAIRMAN FESMIRE: Okay, there's a motion before  
16 the Commission to adopt the resolution as presented. The  
17 resolution is titled, A resolution establishing procedures  
18 for giving notice of meetings of the New Mexico Oil  
19 Conservation Commission.

20 All those in favor of adopting the resolution,  
21 signify by saying "aye".

22 COMMISSIONER BAILEY: Aye.

23 COMMISSIONER OLSON: Aye.

24 CHAIRMAN FESMIRE: Aye.

25 Let the record reflect that the resolution was

1 unanimously adopted by the Commission and will now be  
2 signed by each one of the Commissioners and transmitted to  
3 the secretary.

4 COMMISSIONER OLSON: Mr. Chair, I did note,  
5 though, I guess on our website that -- I don't know if the  
6 date has changed for the June meeting. I think it was  
7 still listed as the 14th.

8 MS. DAVIDSON: Right, I was waiting till this was  
9 adopted, and we'll change it.

10 COMMISSIONER OLSON: Okay, I just noticed that  
11 this morning.

12 CHAIRMAN FESMIRE: At this time, the signed  
13 resolution will be transmitted to the secretary, over  
14 Commissioner Bailey's head.

15 \* \* \*

16  
17 CHAIRMAN FESMIRE: The next item before the  
18 Commission is Case Number 13,492, Case Number 13,493 and  
19 Case Number 13,686.

20 Case Number 13,492 is the *de novo* Application of  
21 Samson Resources Company, Kaiser-Francis Oil Company, and  
22 Mewbourne Oil Company for cancellation of two drilling  
23 permits and approval of a drilling permit in Lea County,  
24 New Mexico.

25 Case Number 13,493 is the *de novo* Application of

1 Chesapeake Permian, Ltd., for compulsory pooling, Lea  
2 County, New Mexico.

3 And Case Number 13,686 -- I'm sorry, those are  
4 the two cases that are before the Commission now, the  
5 consolidated Cases Number 13,492 and 13,493.

6 At this time, counsel has moved -- counsel for  
7 the Applicants, I believe, have moved that these cases be  
8 continued to allow further negotiations. The Chair is  
9 inclined to continue the case for that reason. Is there  
10 any comment from the other Commissioners?

11 COMMISSIONER BAILEY: No comment.

12 COMMISSIONER OLSON: No comment.

13 CHAIRMAN FESMIRE: Okay, at this time Cases  
14 Number 13,492 and 13,493 will be continued to the next  
15 meeting of the New Mexico Oil Conservation Commission,  
16 which is to be held --

17 MS. DAVIDSON: -- March 16th.

19 room.

20 \* \* \*

21  
22 CHAIRMAN FESMIRE: The next case before the  
23 Commission is Case Number 13,686, the *de novo* Application  
24 of DKD, LLC, for an order directing Gandy Corporation to  
25 show cause, Lea County, New Mexico.

1           This case was heard at the prior meeting of the  
2 Commission. Counsel has drafted an order. Chair has  
3 reviewed the order. In the Chairman's opinion, this order  
4 fairly and accurately represents the decision of the  
5 Commission.

6           Commissioner Bailey, have you had a chance to  
7 review this order?

8           COMMISSIONER BAILEY: Yes, I have, and I expect  
9 to sign it.

10          CHAIRMAN FESMIRE: Okay. Commissioner Olson,  
11 have you had a chance to review the order?

12          COMMISSIONER OLSON: Yes, I did, and I had a  
13 couple edits, that I see that they've been incorporated  
14 into the final draft, so I second the motion.

15          CHAIRMAN FESMIRE: Okay. Secretary Davidson,  
16 this is the final corrected version of the order from  
17 yesterday afternoon?

18          MS. DAVIDSON: Yes, it is.

19          CHAIRMAN FESMIRE: Okay, at this time there is --  
20 I believe there is a motion before the Commission to adopt  
21 and sign the order as drafted. All those in favor?

22          COMMISSIONER BAILEY: Aye.

23          COMMISSIONER OLSON: Aye.

24          CHAIRMAN FESMIRE: Aye. Let the record reflect  
25 that the Commission unanimously adopted the order as

2 Let the record reflect that the order has been  
3 signed and transmitted to the secretary.

4 \* \* \*

5  
6 CHAIRMAN FESMIRE: Also before the Commission  
7 today is Case Number 13,274, the Application of Pogo  
8 Producing Company as successor to Arch Petroleum, Inc., for  
9 approval of two nonstandard gas spacing and proration units  
10 in the Jalmat Gas Pool in Lea County, New Mexico.

11 This is a *de novo* case, it was continued from the  
12 January 11th, 2007, Commission meeting.

13 This case will be continued to the March 16th,  
14 2007, Commission meeting.

15 COMMISSIONER BAILEY: When do we tell them it's  
16 time to cut bait? This has been continued since July,  
17 2005, over a year and a half.

18 CHAIRMAN FESMIRE: Well, I guess we could tell  
19 them that at the next meeting it's due, or we will dismiss  
20 the case.

21 COMMISSIONER BAILEY: I think that's reasonable  
22 after a year and a half of having it on the docket.

23 CHAIRMAN FESMIRE: Commissioner Olson, do you  
24 agree?

25 COMMISSIONER OLSON: I think I agree. Seems kind

1 of silly to keep it going just month to month.

2 CHAIRMAN FESMIRE: Well, secretary Davidson, at  
3 the conclusion of the meeting today could we draft a letter  
4 -- or would you be so kind as to draft a letter for my  
5 signature, informing the parties in Case Number 13,274 that  
6 the case will be heard on March 16th, and it will not be  
7 further continued?

8 \* \* \*

9  
10 CHAIRMAN FESMIRE: Next before the Commission is  
11 Case Number 13,531. It's the Application of Yates  
12 Petroleum Corporation for an order directing Pride Energy  
13 Company to reimburse Yates for the well costs incurred by

17 Energy assumed operations of the well, directing Pride  
18 Energy Company to account for and pay all sums it is now

6 continued.

9  
10 CHAIRMAN FESMIRE: Is there any other business  
11 before the Commission this morning?
