TO WHOM IT MAY CONCERN:

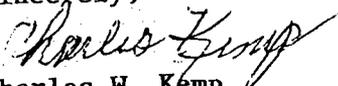

RE: Case No: 13274
Order No: R-12366

Westbrook Oil Corporation is currently the operator in the Jalmat Gas Pool in the S/2 of Section 20, which is dedicated to the Steeler "A" Well No. 1, located in the NW/4 SW/4 of the section that was the subject of the above listed hearing.

This is to advise that Westbrook Oil Corporation had no knowledge of the Application of Arch Petroleum, Inc., for two non-standard gas spacing units in the Jalmat Gas Pool, in Lea County, New Mexico. We also do not know how they could use our name in this application without our approval.

If any further information is needed, please feel free to contact us.

Sincerely,

Charles W. Kemp
Vice-President
