1 WHEREUPON, the following proceedings were had at  
2 8:17 a.m.:

3 EXAMINER JONES: Okay, let's go on the hearing --  
4 go on the clock this morning, and let's call the Examiner  
5 Hearing on March 15th, 2007. This is Docket Number 9-07.

6 I'm William V. Jones. This is David Brooks,  
7 attorney for the Division this morning.

8 Let's first call the continuances and dismissals,  
9 and you can correct me if I'm wrong on some of these.

10 Page 1, Case Number 13,884 is dismissed. Case  
11 Number 13,885 is continued for six weeks; I take that to be  
12 April the 26th.

13 MR. BROOKS: I believe that's right.

14 EXAMINER JONES: If I'm wrong on that, we'll  
15 continue it for six weeks.

16 On page 2, no continuances or dismissals.

17 On page 3, Case 13,872 is dismissed.

18 On page 4, Case 13,663 is continued to April  
19 12th; Case 13,787 continued to April 12th; Case 13,493  
20 continued to March 29th.

21 And on page 5, Case 13,853 is continued to March  
22 29th; Case 13,856 continued to March 29th; Case 13,877  
23 continued to April 12th.

24 Any other continuances or dismissals?

25 MS. O'CONNOR: Yes, Mr. Hearing Examiner. Cheryl

1 O'Connor of the Oil Conservation Division, and we would  
2 like to continue the Case Number 13,886, Reubin Collins  
3 doing business as RCJ Enterprises. We would like to  
4 continue that for two weeks.

5 EXAMINER JONES: Okay, that would be the end of  
6 March, we'll continue -- March 29th, we'll continue that  
7 case.

8 Any other continuances or dismissals?

9 Unfortunately not, I guess.

10 MR. EZEANYIM: Excuse me, on page 3 Case Number  
11 13,814 was inadvertently put on this docket. It's not  
12 supposed to be on this docket at all. It was taken care of  
13 last -- I think March 1 --

14 EXAMINER JONES: Okay --

15 MR. EZEANYIM: -- so you don't need to worry  
16 about that.

17 EXAMINER JONES: Okay, thank you. Case 13,814 is  
18 not even a part of this docket, so we'll have that on the  
19 record.

20 An other continuances or dismissals? Okay.

21 MR. CARR: Mr. Examiner, Case 13,629 is a case  
22 that was reopened by the Division concerning special pool  
23 rules for the Sand Springs-Permo Upper Penn. Yates was the  
24 Applicant in that original case. They've decided to let  
25 the rules expire.

1 EXAMINER JONES: Okay, I've never been involved  
2 with a case where they've let that happen, so in that case  
3 we just don't even call it this morning. We'll just  
4 dismiss this case --

5 MR. CARR: That's fine with us.

6 EXAMINER JONES: -- and by default it will  
7 expire, special pool rules. So Case 13,629 is dismissed.

8 Thank you.

9 (Off the record at 8:19 a.m.)

10 (The following proceedings had at 9:58 a.m.)

11 EXAMINER JONES: Okay, let's go back on the  
12 record here, and I guess the first thing I need to do is  
13 revisit Case Number 13,629.

14 This morning I mentioned that the case will be  
15 dismissed, and I will be writing an order in that case with  
16 the finding that Yates no longer wants these --

17 MR. CARR: And --

18 EXAMINER JONES: -- pools.

19 MR. CARR: Yes, sir.

20 EXAMINER JONES: Okay.

21 MR. CARR: And also, Mr. Examiner, there was a  
22 comment about a Pride case that was on the docket, and it  
23 said it shouldn't be on the docket. There was an error on  
24 that ad, and it has been readvertised for the hearing, I  
25 believe April the 12th. But you don't have to do anything,

1 but that case is automatically --

2 EXAMINER JONES: Okay.

3 MR. CARR: -- going forward while the ad is being  
4 pulled.

5 EXAMINER JONES: I will tell Florene that.

6 MR. CARR: I have already told her that.

7 EXAMINER JONES: Okay.

8 MR. CARR: Yeah.

9 EXAMINER JONES: And that's on the record here  
10 now too. So that Case Number 13,629 will be taken under  
11 advisement, actually.

12 (Thereupon, these proceedings were concluded at  
13 9:59 a.m.)

15  
16  
17 I do hereby certify that the foregoing is  
18 a complete record of the proceedings in  
the Examiner hearing of Case No. \_\_\_\_\_,  
19 heard by me on 3/15/67 \_\_\_\_\_.
