Re: Maudie Rickman #1

Dear Mr. Prickett:

Reference is made to my letter of May 9 and your phone call this morning.

I cannot get the form of agreement to you this week, as I have not drafted it, and I have several other priorities. However, the hearing has now been continued to June 8, which gives us time to arrange these matters, and I will get this to you by time you get back.

Thanks for your attention to this matter.

Should you have questions, please feel free to call the undersigned at (505)-476-3450.

Very truly yours,

MR. BARTON,

I HAVE enclosed the recent letter from MR. BROOKS about the Hearing.

I left word on your voice mail that Sunset Well Service has equipment in the CAMESBAND AREA and they say they can squeeze this well for temporary abandonment with in the next couple of weeks -

We will keep you posted.

Thank You

Chris Prickett
