1           WHEREUPON, the following proceedings were had at  
2 8:15 a.m.:

3           EXAMINER BROOKS: We'll call the Docket to order.  
4 This is Docket Number 17-07. I'm David Brooks, and I'm the  
5 Examiner this morning. As most of you know, I'm now the  
6 legal Examiner for the Division, and I've reviewed the  
7 docket this morning, what's left of it after the  
8 continuances and dismissals, and it doesn't appear that  
9 it's going to be necessary to have a technical examiner  
10 this morning, however the Chief Engineer is available if  
11 he's needed.

12           First off, continuances and dismissals.

13           On the first page, Case Number 13,928 will be  
14 continued to July the 19th; Case Number 13,908 will be  
15 continued to June the 21st

16           On page 2, Case 13,865 will be continued to June  
17 21st; Case 13,891 will be continued to June 21st.

18           Then going over to the fourth page, Case 13,931  
19 will be dismissed; Case 13,924 will be continued to June  
20 21st; Case 13,932 will be continued to June 21st.

21           Case 13,933 -- and we're going over now to the  
22 fifth page -- Case 13,933 will be continued to June 21st.

23           Any other continuances or dismissals?

24           Mr. Bruce?

25           MR. BRUCE: Mr. Examiner, on page 3 -- I thought

1 I had sent in a letter, but the two Cimarex Energy Company  
2 cases, which were heard two weeks ago, I've done some  
3 renotification, and so please continue those to June 21st  
4 so that I can get the green cards and publication  
5 affidavits.

6 EXAMINER BROOKS: Okay, Cases 13,925 and 13,777  
7 on page 3 will each be continued to June 21st.

8 And I hate to disappoint those of you who  
9 continued your cases to June 21st, but the way the -- the  
10 rotation has been somewhat disrupted by Mr. Catanach's  
11 impending retirement, and I will also be the Examiner on  
12 June 21st.

13 (Thereupon, these proceedings were concluded at  
14 8:18 a.m.)

16  
17 I do hereby certify that the foregoing is  
18 a complete record of the proceedings in  
19 the Examiner hearing of Case No. \_\_\_\_\_
