Mr. Brooks:

At the hearing on June 7, 2007, in Case 13297, you requested that I forward you a copy of the email from the COG Oil & Gas where they informed me that they were not opposing our request for a non-standard spacing unit in the Strawn formation, Saladar-Strawn Gas Pool. I am forwarding the email I received.

If you would like a hard copy, please let me know.

Thanks,
