One thing, Exhibit A attached to Exhibit 1 1 highlights the well unit. Mr. Brooks has previously 2 requested that we notify offsets. I've highlighted -- All 3 of the surrounding acreage in Section 12 is owned by 4 Cimarex, they're the only offset operator. 5 EXAMINER JONES: Okay. 6 7 MR. BRUCE: -- and I think there's actually a couple of more wells, horizontal wells, already drilled on 8 9 that acreage. The only offset is AmeriCo Energy, as you'll see 10 highlighted in yellow. They're the offset operator of a 11 12 single fee lease in the south half of Section 1. 13 Submitted as Exhibit 2 is affidavit of geologist 14 discussing the geology and what they are attempting to do in this area, together with the horizontal well plan. 15 And Exhibit 3 is the affidavit of notice to the 16 interest owner being pooled. Actual notice was given, so 17 there's no publication notice. 18 19 EXAMINER JONES: Okay. 20 MR. BRUCE: And then Exhibit 4 is affidavit of notice to the offset AmeriCo Energy. They have contacted 21 22 me, and they simply asked for the well data, or the directional drilling data which we've given them, and they 23 have no objection. 24 25 EXAMINER JONES: Okay.
