RE: **CANYON LARGO UNIT 14-08-001-1059**
Rio Arriba County, New Mexico
Dakota Participating Area
29th Expansion effective 6-1-06 (Revised)
30th Expansion effective 7-1-06

Dear Sir or Madam:

Pursuant to Section 11(a) of the above referenced Unit Agreement, approved September 18, 1953, Burlington Resources Oil & Gas Company LP has determined that the attached wells are capable of producing unitized substances in paying quantities from the Dakota formation, thereby should be admitted to the Dakota Participating Area. Pursuant to BLM letters dated August 28, 2007 and November 27, 2007, attached is a list of the wells that have been deemed commercial.

The Canyon Largo Unit #483, determined to be a paying well by the BLM November 27, 2007, was completed May 3, 2006 and should have come into the previously approved 29th Dakota expansion. Therefore, it is required that a revision be submitted to the BLM to include the committed lands in the Canyon Largo Unit, Dakota Participating Area.

Revisions to the previously approved 29th expansion schedule, and schedules for the 30th expansion are included herewith. The expansion schedules describe the participating areas and show the percentage of unitized substances allocated to each unit tract.

ConocoPhillips would appreciate consideration of these Expansions by written response. Please contact the undersigned at (505) 599-4030 if there are any questions regarding this matter. Copies of this letter and attachments are being furnished to the working interest owners on the attached list.

Sincerely,

Dawn Howell
