Dear Mr. Stogner:

Merrion Oil & Gas Corp. (Merrion) withdraws its application for a non-standard location for the Shank Com #3. We have decided to pick a different surface location and to drill a horizontal well. We may need to submit a new non-standard application for the new location, but will do so after we have developed a final plan.

If you have questions or need additional information, please call me at 505-327-9801 x114.

Sincerely,

George Sharpe
